PROPRIETARY NAME AND DOSAGE FORM:

**LIVER CLEANSE & DETOX
TABLETS (30)**

DISCLAIMER: This medicine has not been evaluated by SAPHRA. This medicine is not intended to diagnose, treat, cure, or prevent any disease.

Read all this leaflet carefully because it contains important information for you. This medicine is available without a doctor's prescription, for you to use as a vitamin supplement. Nevertheless, you still need to use it carefully to get the best results from it.

- Keep this leaflet. You may need to read it again.
- Ask your pharmacist if you need more information or advice.
- You must go see a doctor if you experience worrying symptoms.

SCHEDULING STATUS: Unscheduled

CONTAINS: Each tablet contains:

Ingredients	Elemental value	*NRV
Dandelion Extract 4:1 – Taraxacum Mongolicum Hand. -Mazz (Parts: whole grass)	300 mg	-
Milk Thistle extract 80% - Silybum marianum (L.) Gaertn. (Parts:seed)	200 mg	-
* South African Nutrient reference values for individuals 4 years and older - Not established		

Other Ingredients: Microcrystalline cellulose, magnesium stearate, silicon dioxide & coating.

WHAT IS THIS SUPPLEMENT USED FOR:

- Liver Support formulation aims to support the following:
 - Optimal liver function - Milk thistle protects liver cells and repairs damage
 - Natural detoxification - Dandelion root stimulates bile flow to remove toxins
- Antioxidant protection - Milk thistle is a free radical scavenger that reduces oxidative stress
- Healthy liver enzymes - The herbs help maintain normal enzyme levels.

BEFORE YOU TAKE THIS SUPPLEMENT:

Do not take if you are allergic to any of the ingredients.

Take special care when taking any supplement:

- Do not exceed the daily recommended amount.
- Seek professional advice if suffering from any **allergies**.
- Seek professional advice if **any other medications** are being taken or another medical condition is present.
- If you are taking other supplements, read the label as these supplements may contain the same ingredients.
- If you are **pregnant or breast feeding** your baby, please consult your health care provider for advice before taking this medicine.
- This supplement should not impair or affect your ability to **drive or operate heavy machinery**.

TAKING/USING OTHER MEDICATION:

There are no known interactions at the recommended dosage for healthy individuals. See "PACKAGE INSERT Interactions."

HOW TO TAKE:

The recommended usage is:

- Adults take 1 tablet daily with meals.

IF YOU TAKE MORE THAN YOU SHOULD:

In the event of an overdose, consult your doctor or pharmacist immediately. If neither is available, contact that nearest hospital or medical centre. Treatment is symptomatic and supportive.

POSSIBLE SIDE EFFECTS:

These supplements are generally well-tolerated when taken as directed. Symptoms of overdose may include: nausea, vomiting, diarrhoea, headache, dizziness
If you experience any unusual or severe side effects, discontinue use, and seek medical attention.
